Brief Report

Event Title: Work-Life Balance Training Program

Dates: 27th to 29th February 2020

Venue: Seminar Hall, Deogiri Pratishthan Tulsi College of Fashion Design

Guest Speaker: Dr. Priyanka Rode

Introduction:

The Work-Life Balance Training Program was successfully conducted at Deogiri Pratishthan Tulsi College of Fashion Design from 27th to 29th February 2020. The event was organized with the objective of educating participants on the importance of maintaining a healthy balance between work responsibilities and personal life. The workshop covered three main topics: Strategies for Remote Work Balance, Importance of Physical Fitness, and Nutrition and Healthy Eating Habits.

Day 1: Strategies for Remote Work Balance (27th February 2020)

The workshop commenced with an insightful session on strategies for balancing remote work. Dr. Priyanka Rode emphasized the importance of setting clear boundaries between work and personal life, the significance of time management, and the need for regular breaks to avoid burnout. The session included interactive activities where participants shared their experiences and challenges faced during remote work. Practical tips for creating a productive home office environment were also discussed.

Day 2: Importance of Physical Fitness (28th February 2020)

The second day focused on the role of physical fitness in achieving work-life balance. Dr. Priyanka Rode highlighted the benefits of regular physical activity, including reduced stress, improved mood, and enhanced productivity. The session included a demonstration of simple exercises that can be performed at home or in the workplace. Participants were encouraged to adopt a routine that includes physical activity as a means to improve overall well-being.

Day 3: Nutrition and Healthy Eating Habits (29th February 2020)

The final day of the workshop was dedicated to nutrition and healthy eating habits. Dr. Priyanka Rode provided valuable insights into the importance of a balanced diet and how it impacts both physical and mental health. The session covered topics such as meal planning, understanding nutritional labels, and the benefits of incorporating a variety of foods into one's diet. Participants were also educated on the importance of hydration and how to make healthier food choices.

Conclusion:

The Work-Life Balance Training Program was well-received by all attendees, with active participation and positive feedback throughout the three-day event. Dr. Priyanka Rode's expertise and engaging presentation style made the sessions informative and enjoyable. The participants left the workshop with a better understanding of how to manage their work-life balance effectively, the importance of physical fitness, and how to maintain healthy eating habits.

The event was a great success, and the college looks forward to organizing similar workshops in the future to continue promoting wellness and balanced living among faculty and students.

National Webinar: "Professor Datta Bhagat: Person and Literature"

Event: National Webinar on "Professor Datta Bhagat: Person and Literature"

Organized by: Tulsi College of Computer Science and Information Technology

Dates: 25th July and 26th July 2020

Participants: Staff of Deogiri Pratishthan, Tulsi College of Fashion Design

Overview:

The National Webinar on "Professor Datta Bhagat: Person and Literature" was a significant academic event organized by Tulsi College of Computer Science and Information Technology. Held over two days, the webinar took place on the 25th and 26th of July and saw active participation from various scholars, students, and faculty members. The staff of Deogiri Pratishthan from Tulsi College of Fashion Design also took part in this enlightening session.

Objective:

The webinar aimed to explore and discuss the life and literary contributions of Professor Datta Bhagat, a renowned figure in literature. The focus was on understanding his personal journey, the themes prevalent in his works, and his overall impact on contemporary literature.

Key Highlights:

1. Inaugural Session:

- The webinar commenced with an introductory address by the Principal of Tulsi College of Computer Science and Information Technology, highlighting the importance of Professor Bhagat's work and his influence on literary studies.

2. Speakers and Topics:

- Renowned literary scholars presented papers and led discussions on various aspects of Professor Datta Bhagat's life and literary achievements. Topics included his early life, the socio-political themes in his works, and his contribution to regional and national literature.

- Keynote addresses focused on Professor Bhagat's unique narrative style, his portrayal of social realities, and his efforts in addressing marginalized voices through literature.

3. Interactive Sessions:

- Each session included an interactive segment where participants could engage with the speakers, ask questions, and share their perspectives. This facilitated a rich exchange of ideas and deepened the understanding of Professor Bhagat's literary legacy.
