Ref. No. : TCFD/   Date :

This Agreement is made into effect from 19th Nov 2021

Purpose

The purpose of this Memorandum of Understanding (MoU) is to establish a framework for collaboration between Tulsi College of Fashion Design (here in after referred to as "Tulsi College") and Tulsi Computer Science and Information Technology (here in after referred to as "Tulsi IT") to enhance educational and training opportunities in the field of fashion design and related disciplines.

Both parties agree to collaborate in the following areas:

1. **Curriculum Development:** Jointly develop and review curriculum and training materials for fashion design courses to ensure alignment with industry standards and emerging trends.

2. **Training Programs:** Design and implement specialized training programs and workshops for students and professionals, focusing on skills enhancement and practical applications in fashion design.

3. **Student Exchange and Internships:** Facilitate student exchange programs and internship opportunities for students of Tulsi College and Modern College of Computer Science and IT, providing hands-on experience in fashion design and related industries.

4. **Resource Sharing:** Share educational resources, including access to industry-standard software, equipment, and facilities, to support the training and development of students.

5. **Faculty Development:** Organize joint faculty development programs, including workshops and seminars, to enhance the teaching and research capabilities of the faculty members from both institutions.

6. **Research and Development:** Collaborate on research projects related to fashion design, including innovative techniques, sustainable and market trends.
