This Agreement is made into effect from 10<sup>th</sup> February 2020

## Purpose

The purpose of this Memorandum of Understanding (MoU) is to establish a framework for collaboration between Tulsi College of Fashion Design (here in after referred to as "Tulsi College") and Tulsi Computer Science and Information Technology (here in after referred to as "Tulsi IT") to enhance educational and training opportunities in the field of fashion design and related disciplines.

## Both parties agree to collaborate in the following areas:

- 1. Curriculum Development:** Jointly develop and review curriculum and training materials for fashion design courses to ensure alignment with industry standards and emerging trends.
- 2. Training Programs:** Design and implement specialized training programs and workshops for students and professionals, focusing on skills enhancement and practical applications in fashion design.
- 3. Student Exchange and Internships:** Facilitate student exchange programs and internship opportunities for students of Tulsi College and Tulsi IT, providing hands-on experience in fashion design and related industries.
- 4. Resource Sharing:** Share educational resources, including access to industry-standard software, equipment, and facilities, to support the training and development of students.
- 5. Faculty Development:** Organize joint faculty development programs, including workshops and seminars, to enhance the teaching and research capabilities of the faculty members from both institutions.
- 6. Research and Development:** Collaborate on research projects related to fashion design, including innovative techniques, sustainable practices, and market trends.

- 7. Events and Exhibitions:** Co-host fashion shows, exhibitions, and other events to showcase the work of students and promote collaboration between the institutions.

## Responsibilities of Each Party

### Tulsi College of Fashion Design:

- Provide expertise in fashion design curriculum development and practical training.
- Offer access to fashion design studios, laboratories, and other relevant resources.
- Organize and conduct training programs and workshops for Tulsi IT students.

### Tulsi Computer Science and Information Technology (Tulsi IT):

- Contribute to curriculum development and provide insights on industry needs.
- Facilitate the placement of students from Tulsi College in relevant internships and training programs.
- Assist in organizing joint events and exhibitions.

## Duration and Review

This MoU will be effective from 10<sup>th</sup> February 2020 and will remain in force for 3 years, unless terminated earlier by either party with 90 days written notice. The MoU will be reviewed annually to assess progress and make necessary adjustments.

## Confidentiality

Both parties agree to maintain the confidentiality of any proprietary or sensitive information shared during the course of this collaboration.
