Notice

We are pleased to announce an upcoming workshop titled "Design Patents in Fashion Design," aimed at providing a comprehensive introduction to the role of design patents in the fashion industry. This event is designed to offer valuable insights into how design patents protect creative fashion designs and to equip students with fundamental knowledge about intellectual property.

Date: 20/03/2020

Venue: Tulsi College of Fashion Design

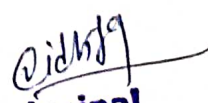

Workshop Details

Objective: To introduce students to the concept of design patents, their significance in fashion, and the application process.

Highlights:

- **Introduction to Design Patents:** Understanding what design patents are and how they differ from other intellectual property protections.
- **Fashion Industry Application:** Exploration of how design patents impact the fashion industry and protect innovative designs.
- **Application Process:** Overview of the steps involved in applying for a design patent.
- **Q&A Session:** Opportunity to engage with experts and clarify any queries.

We look forward to your participation and an engaging exploration of design patents in fashion!
